WHILE YOU HAVE EVERY RIGHT TO APPEAL AND YOU SHOULD APPEAL IF YOU FEEL IT IS THE RIGHT THING TO DO, FOR DISCLOSURE PURPOSES IT IS IMPORTANT THAT YOU KNOW APPEALS ARE LIKELY TO HOLD UP DISTRIBUTIONS TO CLASS MEMBERS AND/OR YOUR INDIVIDUAL FAMILY UNIT.

ALL CLAIMS MUST BE APPROVED BY THE COURT BEFORE A DISTRIBUTION CAN BE MADE.

NOTICE

The goal of this claims process is to make applying for an award as easy as possible for you. Unfortunately there are situations in which people present false claims. To attempt to regulate false claims, both state and federal laws have been passed. Federal law requires that anyone asserting a claim provide copies of documents proving their identity. Ohio and Federal Law make presenting a false or fraudulent claim punishable by fines and/or imprisonment.

- IMPORTANT INFORMATION:**
- Completion of this form is NOT a guarantee of inclusion in the settlement.
 - **Serious Emotional Distress** is a requirement for a distribution. "Next of kin" is defined in certain case law. All family members may not qualify for a distribution.
 - An award to a family member cannot be finalized until a claim form is received by the Settlement Master from each family member in the Family Unit or there is undue delay in submission of an individual claim form by a family member who loses their right to apply for an award.
 - You have a right to appeal if you do not agree with any decision of the Settlement Master. (Please refer to Plan Document and Communication Bulletin Number 02.)

Return this claim form in the enclosed prepaid envelope to:

SECTION 8

A Plan May Be Established In Three Different Ways:

- 1). A Family Unit may accept a plan of 75% divided equally among spouse, parents, and children of the deceased and 25% to brothers, sisters and next of kin (so long as the amount to those in the 25% category does not exceed the amount to the 75% distributees).
- 2). A Family Unit or Family Member can propose their own plan for review by the Settlement Master.
- 3). The Settlement Master can propose a plan at the family's request or based on observed circumstance.

Please INITIAL the appropriate box.

I agree with the 75%/25% distribution proposed in the Plan. I understand the way the money is divided up under this theory. In agreeing I hereby release The Qualified Settlement Fund and its Administrator from any and all duties related to the handling of this claim upon payment to me. I understand I have no further claim than the amount this 75%/25% division of funds provides to me given my relationship to the deceased. I understand if the payment per person is higher in the 25% category than the 75% category, the Settlement Master will adjust the payment to eliminate that result because it is not equitable. I understand if I am denied a payment under this claim, I have the right to appeal that denial within 30 days of the Denial Notice under the terms of the Plan.

I agree to the 75%/25% Division of Funds in the Plan, but I want to see and agree to the exact amount each Family Member will receive before I sign a release. I understand this requires at least one additional mailing once all my Members have returned their individual claim forms. I understand I will have to sign a release as will each member of my Family Unit.

My Family Unit is submitting another distribution plan for review. (Copy Attached)

My Family has requested that the Settlement Master propose a Plan for our Family Unit/each Family Member.
